- **Committee Mission**

Interested Stakeholders have expressed concern over the MBE, WBE, Veteran Owned Business and Small Business Goals and participation within state contracting and public procurement opportunities within Washington State. Formal positions have been shared between stakeholders. **Through a facilitated and lean framework the committee focus is to:**

1. Identify stakeholder committee(s) formed and the current status of committees – to include but not limited to: OMWBE/AGC Diversity Committee/ State Business Diversity Subcabinet/City of Seattle Women and Minority Owned Business Advisory Committee and others.
2. Update - AG review status of WSDOT Small and Diverse Business Contract Goals for State Funded Projects.
3. What stakeholders can agree on.

Identify what stakeholders do not agree on.

Determine next steps taken to address challenges involved with improving opportunities within the public procurement process for the MBE, WBE, Veteran Owned Business and Small Business community.
